

Dear Best of Northern Utah Award Winner,

It gives me great pleasure to announce that your business has been chosen as the **2020 Best of Northern Utah** in your business category. This award is given annually to a business that is voted by **Standard Examiner Newspaper Readers**. It is a prestigious honor that serves to recognize the best of the best within our area.

The voting is unique in that the reader writes in their favorite business in each category with no influence from outside sources. This makes this award all that special and proves that you were **truly top of mind for your business category**.

In the future, the Standard Examiner will formally present this award to at a banquet held in the recipients' honor. Unfortunately at this time, due to COVID-19 restrictions, we were not able to hold the event this year. I hope in the future you will make plans to attend this banquet in order to show your support for your own and other businesses in the area.

In the meantime, we present you with this **plaque to display at your place of business** and give you rights to use to **2020 Best of Northern Utah Award logo** any way you wish.

Please contact me to request the digital graphics if needed. I would love to help you display a thank you ad in the newspaper or any of our special publications. I can also help with any of your digital or print marketing needs.

Sincerely,

Kendal Rae Parker
